Session 2022-23

REPORT ON MPCST

DATED – 23RD JANUARY 2023

TIME – COLLEGE HOURS

India International Science Festival (IISF) is an initiative of Ministry of Science and Technology and Ministry of Earth Science of Government of India.

The eighth India International Science Festival begins in IISF Main Hanger Area, National Institute of Technology (MANIT), Bhopal,

The Union Minister Jitendra Singh inaugurated the festival. According to the Government of India, the festival is a step in moving towards “AMRIT KAAL”. The IISF is to focus on AMRIT KAAL during the 75th Independence Day celebrations held in 2021,

The theme of India International Science Festival, 2023
Marching Towards AMRIT KAAL with Science and Technology
Significance of the theme

The theme aligns with and signifies the following:

- Self-Reliant India
- G20 vision of India in 2023 (India is hosting the 2023 G20 meet)
- One Earth One Family One Future

Mittal Group of Institutes has planned a visit to MANIT on 23rd January 2023.

Highlights

- Students left the college by 2 buses at 11:00AM
- They have looked science models, folk art, some art and craft pieces which were being displayed for sale.
- Unique art form of honorable Prime Minister made by polythene was the centre of attraction.
- They tried to understand models and tried their hands into it.

Total 200 students had visited in which 25 students were from MIE.
