PANCHAMI

Saraswati Pooja the festival to celebrate the goddess of learning and music, art and science was celebrated with much enthusiasm and vigour by the students and staff of Mittal Institute of education on 05 February, 2022. Everybody came together on this auspicious day of Basant Panchami, which also marks the advent of Spring Season. The colour yellow (Basanti), signifying the season of spring, was prevalent in the traditional attires worn by students and staff.

Poojan was done by one of our student who is well trained and following his family tradition of worshipping. All dignitaries were present and done all poojan rituals and Havan.

The celebration came to a close with distribution of Prasad sweets and fruits.

The celebration helped the students to stay in touch with the customs of our country, learn the qualities of team work, leadership and cooperation as well as strengthen the bond between students and staff of the college.
