REPORT ON DISCUSSION ON BUDGET

DATED – 16TH FEBRUARY 2023

VENUE – MITTAL INSTITUTE OF EDUCATION

A budget is an estimation of revenue and expenses over a specified future period of time and is utilized by governments, businesses, and individuals at any income level.

The Union Budget for FY 2023-24 this year **aims to further strengthen India's economic status**. In the 75th Year of India's Independence, the World has recognized the Indian Economy as a 'bright star' with its Economic Growth estimated at 7 percent, which is the highest among all major economies. Amrit Kaal refers to the next 25 years (up to 2047) leading to the centenary of India's independence. This period has been pitched by the Narendra Modi government as the time when India can strive to turn into a developed country.

The budget is a part of syllabus of commerce and management students, so for them a discussion was conducted at Mittal Institute of Education on 16th February 2023 as a class room activity.
