And others went to the play ground and started picking wrappers lying scattered there. After collecting them they threw them in to the dustbins.

All assembled in the canteen hall. There we were given refreshment in the form of samosa, chips ,biscuits and bananas,

Thereafter ANO Govind Singh Solanki delivered the speech telling us the importance of sanitation. He also honored the sweepers of the college for their noble job. From 12 year old children to old age people are suffering from a common addiction tobacco (gutka). It is spread like a web all over the world and very concrete and positive steps need to be taken to avoid it. Its effects are fatal. We need to keep
