LAB VISIT (BIOTECHNOLOGY)

Venue – Mittal Institute Of Education, Bhopal

Dated 29 JANUARY 2021

Time – College hours

LAB VISIT (BIOTECHNOLOGY)

Educational visit considered as a part of college curriculum and it is important for student who is pursuing a professional degree.

The main objective of lab visit is to provide students an insight of the practical applications of what they are in learning the lecture.

B.Sc. First year life science students visited Rapture Biotechnology Lab Bhopal on 29th January 2022. The main objective of visit was to provide a scientific platform to exchange the information on the recent advances in biotechnology in India and instrumental knowledge. Director Mr. Mayank Tenghria welcomed the faculty Prof. Kalpana Verma. Students were taken to specialized sections where test are performed and got a chance to understand the functioning of all the latest and updated instruments used to perform the analysis. It was very interesting and informative for all the students.
