Activity class on Friday on 26th August 2022

Extracurricular activities **help students develop problem-solving skills**. These teach students the importance of teamwork. Extra-curricular activities encourage superior academic performance. It helps students to learn about themselves and develop and use their skills and knowledge in different contexts.

MIE organized an activity in Friday 26th august 2022 of all UG course. total 52 student actively peer teaching participated in this activity.

Purpose of activity

- Student acquiring knowledge of point to be kept in mind before starting any business.
- If someone is working as a manager what skills they should have.
- As a manager how someone will treat their employees.
- If you are launching new product in a market what points you should keep in your mind.

Conclusion of activity

1. To Groom their personality, attitude toward academic.
2. To build confidence.
3. Enhance communication skill of student.
4. We create competitive environment among student this encourage student to actively participate in the class.
