

**B.Ed.**  
**Program Specific Outcomes of B.Ed**

At the end of the two year B.Ed program the students will be able :

PSO 1	To apply microteaching skills in teaching.
PSO 2	To apply their knowledge of core content and pedagogy to determine learning goals and objectives based on state and national standards and local curriculum, and create instructions.
PSO 3	To understanding of the cognitive, affective and psychomotor domains, and other characteristics of their diverse learners, and create an environment of respect, synergy, collaboration and a culture for learning.
PSO 4	To design and deliver meaningful learning experiences for all their fellow students.
PSO 5	To demonstrate leadership and a commitment to ethical and equitable behaviour.
PSO 6	To model and apply the National Educational Technology Standards for Teachers (NETS-T) when designing, implementing and evaluating learning experiences.
PSO 7	To teach art and craft work.
PSO 8	To teach by engaging students through creative and innovative endeavours.
PSO 9	To be culturally responsive and inclusive teacher.
PSO 10	To use effective and appropriate verbal, nonverbal, written, and media communication techniques in their teaching, professional collaboration, and interactions with students, colleagues, parents, and the community.
PSO 11	To demonstrate professionalism, efficiency, and integrity in their teaching and interactions with students, colleagues, parents, and the community.
