## **Report on Van Vihar Visit**

**Dated - 4<sup>th</sup> October 2021**

**Time – College Hours (One Day)**

## **Theme of the Visit**

**Wildlife Week 2021 is being celebrated under the theme “Forests and Livelihoods: Sustaining People and Planet”.**

## **About Wildlife Week**

India observes Wildlife Week from October 2<sup>nd</sup> to October 8<sup>th</sup> every year with the aim of protecting India's fauna. During the week, experts conduct workshops in order to make people understand the importance of wildlife conservation. During the week, several awareness-building activities are organized across different levels in order to make people aware about wildlife.

## **History of Wildlife Week**

First ever Wildlife Week was observed in the year 1957. Wildlife Week 2021 is the 67th edition. Wildlife Week was conceptualised by the Indian Board of Wildlife in 1952 in order to raise the awareness regarding long-term goals of protecting the wildlife across India. Initially, Wildlife Day was celebrated in 1955, but in 1957 it was upgraded as the Wildlife Week.

## **About the Visit**

- **Mittal Institute of Education** organized one day visit to **Van Vihar** on **4<sup>th</sup> of October 2021**.
- **The activities of the Visit were successfully coordinated by Dr. Neelu Quaiyumi and Asst. Prof. Vaibhav Kumar Jain.**
- **A total of 51 Students have participated in this Educational visit to Van Vihar, Bhopal.**
- **Primary Objective- The main purpose for the Visit was to make our Students interact with the Nature and the Gift of Wildlife. Bird Watching was also conducted with our Students so that they can observe and learn from our Flora and Fauna**
- **The Visit turned out to be exceptionally well planned and executed by the whole Management team in which students completely enjoyed and had fun time with friends and teachers.**
- **The Educational Visit also gave opportunity to our Students to spend some time with our Nature or Source which otherwise becomes Challenging tasks for any person to extract few minutes from the hectic schedules.**
- **The students observed birds, listened to their chirping and pleasing voices and learned a lot about the Natural Family of flora and fauna.**

## Snapshots of the Visit
